**Mt. Pisgah's 2019 High School Graduates:**

Graduation season is right around the corner. Each year, the Mt. Pisgah high school graduate with the highest four-year cumulative grade point average receives special recognition. The **Donald Leon Smedley Stipend** award was established in 2016 in recognition of Pastor Smedley's steadfast devotion to the academic, as well as the spiritual, development of Mt. Pisgah's children. All funding for the award comes from member donations. You can make cash donations by using your offering envelopes. Just check the "other" box and write "Smedley award" on the front of the envelope. If you are writing a check, make your check payable to Mt. Pisgah and use the memo line on your check to write "Smedley award." Remember, no gift is too small.

Thank you so much for your support of our young people.
