CJM VOLUNTEER ORIENTATION AND TRAINING – SATURDAY, JUNE 13TH, 9:00AM – 3:45PM, is the date for the next orientation and training session for those involved in religious programs inside the Howard County Detention Center (HCDC), our local jail. This is a great opportunity for anyone to learn about ministry to prisoners. The session is offered without charge to all, those who want to be part of CJM's fruitful ministry inside HCDC and to others who just wish to know more about ministry behind bars. Although free, advance registration is required (we need to know how many sets of materials to prepare). Send an email (cjm@christianjailministry.org) or call CJM (410-997-0253) to register. Be sure to give your name, contact information and that you want to attend the June 13th orientation and training.

HCDC Chief of Security Robert Baldwin provides information about HCDC and how it operates so that volunteers can understand the environment within which the ministry is conducted. Dr. Pace or Chaplain Nichols address HCDC policy affecting religious volunteers, describe the many religious programs CJM provides and provide insights about how to be effective in ministering to prisoners. Please pass information about the orientation and training session to others you know who might be interested in attending.
