

GriefShare Ministry

Facing Tomorrow

It may be hard for you to feel optimistic about the future right now. If you've lost a spouse, child, family member or friend you've probably found that there are not many people who understand the deep hurt you feel.

That's the reason for **GriefShare**, a special seminar and support group for grieving the loss of someone close. This group is sponsored by people who understand what you are experiencing and want to offer you comfort and encouragement during this difficult time.

GriefShare is a nondenominational, confidential group and features biblical teaching on grief and recovery topics. Please join us for the next GriefShare session.
