Together in Prayer

Welcome Back, Pastor!

Loving Lord, we thank You for our dear Pastor and for the way that she has led and guided the flock You have placed in her care with such wisdom and grace. Keep her Lord, under the shadow of Your wing, and protect her from the many arrows of the enemy that have sought to trip so many of the leaders in the Church today. May her heart be kept focused on the Word of Truth, and may she continue to love the Lord with her whole body, soul and spirit as she seeks to encourage, edify and teach all those that are under his guidance. May she continue to be a woman after God's own heart, who continues to be nourished and fed by You to be Your under-shepherd, to point us to Christ.

May she be used by You to be an example of a true disciple and lover of the Lord, not only in her public ministry but in the privacy of her own home.

Bless her Lord, keep her and protect her. May she continue to be an example of a godly woman who by example, is growing in grace and in knowledge of the Lord Jesus.

*Thank You for our Pastor,
Amen.*

Memorial Day

Is it enough to think today
Of all our brave, then put away
The thought until a year has sped?
Is this full honor for our dead?

Is it enough to sing a song
And deck a grave; and all year long
Forget the brave who died that we
Might keep our great land proud and free?

Full service needs a greater toll,
That we who live give heart and soul
To keep the land they died to save,
And be ourselves, in turn, the brave!

Memorial Day

“A Week of Tributes to Mom”

To celebrate the special woman in your life, use a quote a day the week before Mother’s Day, or honor her with tributes the whole week after. Write one of these (or one of your own) on a card, make a message into a placemat, tape one to the bathroom mirror — get creative! Every day of the week is a good day to celebrate her love and show her yours.

“There is no way to be a perfect mother, and a million ways to be a good one.” — Jill Churchill

“The art of mothering is to teach the art of living to children.” — Elaine Heffner

“An ounce of mother is worth a ton of priest.” — Spanish proverb

“When your mother asks, ‘Do you want a piece of advice?’ it’s a mere formality. It doesn’t matter if you answer yes or no. You’re going to get it anyway.”
— Erma Bombeck

“The mother’s heart is the child’s schoolroom.” — Henry Ward Beecher

“Mother love is the fuel that enables a normal human being to do the impossible.” — Marion C. Garretty

“Being a mother is learning about strengths you didn’t know you had.”
— Linda Wooten
